CHRISTIAN SCHOOL

Dress Code and Uniform Requirements

Kindergarten-6th Grade Students

The goal of our dress code is to glorify God in our dress and adhere to biblical modesty and decency.

GENERAL STANDARDS

Unless otherwise specified, students are to comply with the dress code while attending school and when participating in any school functions, activities, or field trips. Because it's not possible to address all possible dress code issues in a single document, any issues that are not clear will be addressed by the front office.

1. Girls are to wear clothes that are modest and feminine (1 Tim. 2:9; 1 Pet. 3:1-6; Deut. 22:5).
2. Boys are to wear clothes that are masculine (Deut. 22:5).
3. Clothes should be neat, clean, well maintained, properly fitting at all times, and worn according to intended design.
4. Fashion contests or comparing clothes is not permissible (1 Cor. 10:13; James 2:1-4).
5. Extremes are not allowed ("The fruit of the Spirit... is temperance." Gal. 5:22-23).
6. If you have any questions as to whether an article or style of clothing conforms to the school dress code, do not wear it; rather, bring the garment and ask for clearance from the homeroom teacher.
