What Parents Are Saying...

Cornerstone Christian School has excellent teachers, high academic standards, and an emphasis on developing Christian character.

~ Chris

Our son is not the only one that's been blessed by this school: We have benefitted as a family. We love that Cornerstone encourages academic success, but also focuses on the heart of the child.

~ Lavinia

Cornerstone partners with our family in teaching our children moral character and biblical values. We believe that our children are being prepared well for the next level of education in their college experience.

Building Tomorrow's Leaders Today

Your Child Is Precious to Us!

We gently encourage each child to rely on God for growth in both his personal character and academic abilities.

The result of this training is students who are well-prepared academically and spiritually for a bright future serving God in the vocation to which He calls them.

Along with all the accomplishments of the Kindergarten year, students have fun learning and cultivating new friendships.

We invite you to come for a visit to see for yourself how much students enjoy learning at CCS!

"I like learning my phonograms."
~ Brayden

"I like coming to school to be with my friends." ~ Leilani

"Train up a child in the way he should go, and when he is old, he will not depart from it." Proverbs 22:6
