Cornerstone Christian Preschool Enrollment Questionnaire

Does your child speak English as a *first* or *second* language or are they *bilingual*? _____

If English is not, which language is their first language? _____

And how well do they speak English so far? (Circle the answer that best fits their level)

1. Just starting to learn 2. Knows Basic vocabulary 3. Uses phrases/ short sentences
4. Conversational 5. Nearly Fluent

If your child only uses short phrases or less we highly recommend joining our afternoon English Language Learners program for several days a week.

If your child is just starting to learn English we recommend coming every afternoon if possible. There are only 5 months between the start of school and the start of Kindergarten assessments. Children can benefit greatly from the extended hours of language practice in order to learn sufficient English to pass the assessment and eventually to thrive in our academically rigorous Kindergarten program.

All children whose parents or guardians demonstrate by word and practice that they are Christians, hold a belief in the Bible as the infallible Word of God, and are members of a Trinitarian church which proclaims Jesus Christ as Lord and Savior are eligible for enrollment into Cornerstone Christian Preschool.
