

Before and After School Supervision (BASS) Program 2022-23

Before School Supervision

In 2022-23 we will provide before school supervision only for families who absolutely need it, starting at 7:45AM. The cost is **\$6.00 per morning/per student**. **You must preregister and have spoken to Mr. Batista**. Please do not leave your child at the locked gate before 7:45AM. They are not supervised.

After School Supervision

Our regular BASS program runs from 3:00PM (dismissal) to 5:00PM on all regular school days and runs from 12:00-2:00PM on minimum days. The cost is **\$6.00 per hour/per student** starting at 3:30PM. Hourly rates will begin 5 minutes after each hour begins.

Emergency After School Supervision

We realize that emergencies or other unavoidable situations arise which may cause a driver to be late for pick-up. All children (K-12) who have not been picked up by 3:15PM will be placed in BASS for emergency supervision. This service is available until 3:30PM at no additional charge. After 3:30PM the BASS fee of **\$6.00 per student /per hour** will be charged. For example, if a parent arrives at 3:45PM, the charge will be \$6.00.

After 5:00 PM

Parents who are late in picking their children up from BASS will be charged an additional **\$1.00 per minute for every minute past 5:00 PM**. We will be charging by the minute, so it is essential you arrive on time to avoid unwanted fees.

Payment

The supervisor will sign in all children, and a supervisor will release each child to their parent or authorized pickup person when they arrive. The school office will bill families for their use of the Before and After School Supervision program through RenWeb in the first week of each month. For example, for child care provided during the month of September, your RenWeb account will be billed in October.

The Program

Students will stay with their teacher until 3:15PM if they are in the BASS program. Staff children will be dismissed to their parents and not be in BASS after school. The program will begin at 3:15 PM. Students will remain at the tables from 3:15-3:30 PM eating their snacks and talking or using the restroom. Students will not be allowed to play. They may start homework. Supervisors will check students in while they are eating and working. From 3:30-3:45 they will be given a play break. Homework or quiet reading is required from 3:45-4:30. During this time, **NO PHONES** are allowed (except WITH PERMISSION to call rides, parents, etc.). The care providers will provide homework supervision (e.g. make sure your child is on task, answer general questions). The supervisor will not be providing detailed homework help as a part of the BASS program. At 4:30 PM students still in BASS may play if they've finished all of their homework.
